MEDIA ADVISORY: Louisiana Technology Park to Host MIT Enterprise Forum Live Global Broadcast

BATON ROUGE, LA [May 21, 2008] – The Louisiana Technology Park, in conjunction with the MIT Alumni Club of Louisiana, is hosting the MIT Enterprise Forum Live Global Broadcast, *“Innovation to Commercialization.”* The forum is designed to educate small business owners about government funding opportunities available to jump start their businesses by going from a “great idea” to a “great product.”

The panel of speakers includes Dr. F. C. Thomas Allnut of the National Science Foundation, Dr. Milton Chen CEO of VSee and SteriCoat Founder and CTO Christopher Loose. Renowned National Public Radio science reporter Bruce Gellerman will serve as the moderator for the event.

What: MIT Enterprise Forum Live Global Broadcast
“Innovation to Commercialization”

Where: Louisiana Technology Park
7117 Florida Boulevard

When: Wednesday, June 4, 2008
Networking and Light Dinner – 5:30 pm
Broadcast – 6:00 until 7:30 pm
